- **2020-2024 TIP Amendment**

[Resolution 2022-08, Recommending Policy Committee approval of an amendment to the 2020-2024 Transportation Improvement Program, to increase funding for PIN 975488 Watson/Hayes signal & PIN 975440 McKinley/Watson signal, project sponsor: village of Endicott]

- J. Yonkoski stated that the village of Endicott has 3 signal projects that will replace a total of 4 signals. Each project has had an increase in cost, mainly for the construction phase. This amendment will increase PIN 975488 Watson/Hayes Signal Replacement by \$244,850 and PIN 975440 McKinley/Watson by \$238,000 . The offset will be from the construction phase of PIN 975493 Oak Hill Watson/Witherill.
 - The village of Endicott is investigating other options for the Oak Hill/Witherill signal replacement that could possibly realize a cost savings and the project will be pushed out to 2025 and funded in the new TIP.
- ✓ J. Holland made a motion, seconded by G. Kilmer, to approve Resolution 2022-08. The resolution was approved by unanimous consent.
